OUR PROGRAM:

Besides attending meetings, members practice the Steps for our personal recovery, the Traditions for unity in groups, and the Concepts for being of service. Listed here are the ones that correspond to this month:

Step 3:

Made a decision to turn our will and our lives over to the care of God as we understood Him.

Tradition 3:

The relatives of alcoholics, when gathered together for mutual aid, may call themselves an Al-Anon Family Group, provided that, as a group, they have no other affiliation. The only requirement for membership is that there be a problem of alcoholism in a relative or friend.

Concept 3:

The right of decision makes effective leadership possible.

*Steps, Traditions and Concepts have been reprinted with permission of Al-Anon Family Group Headquarters, Inc.
